About Us

Our Services

Projects

Our Clients

WE LOVE TO BUILD.

Our Services

Building Works

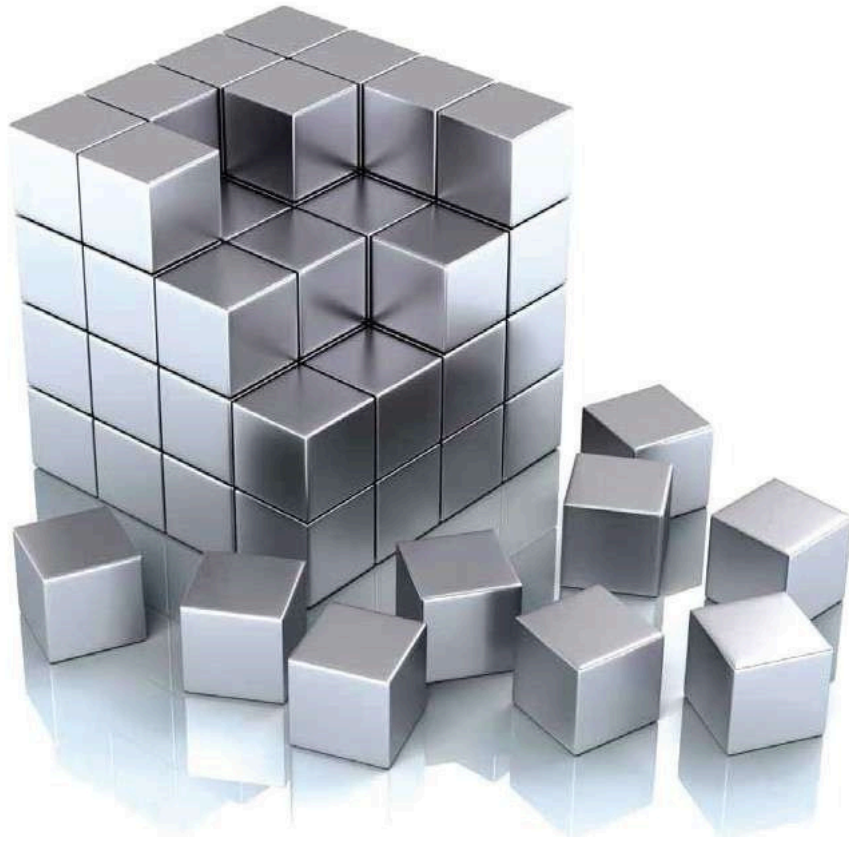

We construct multiple residential and commercial buildings. Our team comprises experienced Engineers who are involved in the delivery of safe and quality buildings conforming to building standards. SCOPE OF WORKS - BUILDINGS

Civil Works

We construct civil works within communities including Road infrastructure, drainage, Sewer and Water reticulation. We also undertake subsurface electrical, power and utilities reticulation to ensure our communities are neat, modern and integrated.

Gated community co development facilitation

We bring together individuals who want to build homes in a gated community but lack like-minded partners. We help them form a community, secure land, plan infrastructure and amenities, and build custom homes—offering a seamless path to co-developing and living in a well-designed gated neighborhood.

Let us show you!

Excellence in Engineering & Construction

Who We Are

Msingi Engineering Group Ltd. is a leading engineering and construction company based in Nairobi, Kenya. With a proven track record across Kenya, Rwanda, and Burundi, we specialize in delivering high-quality infrastructure solutions tailored to client needs. Our expertise spans building works, civil works, steel structure installations, and refurbishment projects, backed by a highly skilled team of architects, structural engineers, and mechanical and electrical specialists.

Our Unique Strengths

1. Design-Build capability: We bring together design teams and execution teams to deliver responsive designs to client as well as Value engineer the process to optimise both design and construction components.
2. Integrated Engineering Solutions: We combine conventional and alternative construction technologies, integrating architectural, structural, electrical, and mechanical components to respond flexibly to client requirements.
3. Commitment to Budgetary Excellence: Our hallmark is delivering projects on budget while meeting fixed cost-per-square-meter commitments.
4. Proven Track Record of Quality and Timeliness: Across residential, commercial, and industrial sectors, we consistently exceed expectations, evidenced by repeat customers and glowing recommendations.
5. Customer-Centric Communication: Clear and proactive communication ensures confidence and transparency throughout projects.
